GUARANTEED SUBORDINATED BOND RESOLUTION

The Board of Directors of the Southeastern Public Service Authority of Virginia MAKES THE FOLLOWING FINDINGS OF FACT AND DETERMINATIONS:

R-1. The Southeastern Public Service Authority of Virginia (the “Authority” or “SPSA”) is a public body politic and corporate exercising public and essential governmental functions pursuant to the Virginia Water and Waste Authorities Act, being Chapter 51, Title 15.2, Code of Virginia, 1950, as amended (herein called the “Act”), under a certificate of incorporation issued by the State Corporation Commission.

R-2. The cities of Chesapeake, Franklin, Norfolk, Portsmouth, Suffolk and Virginia Beach and the counties of Isle of Wight and Southampton (each herein called a “Unit” and all collectively called “Units”) have become members of the Authority pursuant to the provisions of the Act for the purpose of providing for the acquisition, construction, financing, operation and maintenance of a garbage and refuse collection and disposal system which will be a publicly owned and controlled regional project within the meaning of Article VII, Section 10(a)(4) of the Constitution of Virginia.

R-3. All of the Units have entered into agreements with the Authority (herein collectively called the “Contracts”) for the acquisition, construction and operation by the Authority of a regional solid waste management, collection, reception, transfer, processing and disposal system (herein called the “Disposal System,” and such Units which have heretofore and any other municipal corporation and county which shall hereafter enter into such an agreement with the Authority are herein collectively called “Contracting Units”), which agreements have provided for the development of the Disposal System and further provide for the Authority to operate such a system and each of the Contracting Units to deliver or cause to be delivered to the Disposal System substantially all of the solid waste (excluding hazardous solid waste) under the control of such Unit and, subject to certain exceptions, to pay the Authority tipping fees for its disposal of such solid waste.

R-4. The Contracts contemplate the development of, and the Authority has developed, constructed and operated for 25 years the Disposal System, being comprised of a regional landfill, transfer stations, supporting equipment, rolling stock and ancillary facilities, and a refuse derived fuel plant located on Victory Boulevard, Portsmouth Virginia (the “RDF Plant”).

R-5. Effective July 1, 1999, the Authority accepted the transfer from the United States of America of, and has since operated in conjunction with the RDF Plant, a steam electric generating facility capable of burning as its primary fuel both refuse derived fuel produced at the Authority’s RDF Plant and coal (the steam electric generating facility and related facilities located across Victory Boulevard in Portsmouth, Virginia, from the RDF Plant, the “Power Plant System”).

R-6. The Authority has heretofore issued (i) bonds (“Senior Bonds”) and parity indebtedness and incurred other obligations (collectively, “1st Tier Obligations”) under a resolution adopted on August 16, 1989 (as supplemented, amended and restated, the “Senior Bond Resolution”), (ii) bonds (“2nd Tier Obligations” or “Senior Subordinated Bonds”) under the Prior Resolution (as hereinafter defined) and (iii) bonds, notes and other obligations (“Subordinated Obligations”) on a basis subordinate to its Superior Obligations (hereinafter defined) and Senior Subordinated Bonds, and such certificated Superior Obligations and Subordinated Obligations outstanding as of May 1, 2009 are described in Parts I, II and III, respectively, of Exhibit A to this Resolution.

R-7. Prior to the effective date of this Resolution, the Authority issued its Senior Subordinated Bonds under the provisions of its resolution adopted February 25, 1998, and amended and restated on February 2, 2000 (the “Prior Resolution”) On May 14, 2009, the Authority amended and restated the Prior Resolution (as amended and restated, the “Senior Subordinated Bond Resolution”), contingent on certain future events including the issuance of the Bonds authorized by this Resolution.

R-8. Both the Senior Bond Resolution and the Prior Resolution authorize, and the Senior Subordinated Bond Resolution when and if it becomes effective will authorize, the Authority to issue create and incur other Superior Obligations and Senior Subordinated Bonds, respectively, payable from the gross revenues of the Disposal System ahead of the Bonds authorized by this Resolution (collectively, “Superior Obligations”) or subordinate to the Superior Obligations for any purpose of the Authority in connection with the Disposal System. In the Senior Subordinated Bond Resolution, the Authority has determined to “close the open end” of the Senior Bond Resolution and to covenant not to issue or incur, subsequent to the effective date of such Resolution, any additional Senior Bonds or indebtedness on a parity therewith.

R-9. The Virginia Resources Authority, the holder or beneficial owner of all of the outstanding Senior Subordinated Bonds, has offered to purchase from the Authority one series of bonds designated “Guaranteed Subordinated Revenue Bonds, Refunding Series 2009 (Taxable)” (“Guaranteed Subordinated Bonds”), in an aggregate amount not to exceed \$72,000,000 to refund certain outstanding Senior Bonds and other indebtedness on a parity therewith and Senior Subordinated Bonds (collectively, “Debt to be Refunded”), provided that five of the Authority’s members, the Cities of Franklin, Portsmouth and Suffolk and the Counties of Isle of Wight and Southampton, shall severally undertake to guarantee or otherwise assure the full and timely payment of amounts due on such Guaranteed Subordinated Bonds, the lien thereof on the Authority’s Gross Revenues to be immediately junior to the claim thereon of the Senior Subordinated Bonds.

R-10. Wachovia Bank, National Association, is the holder of two promissory notes of the Authority in the maximum aggregate principal amount of \$17.2 million in exchange for which the Authority will issue a new promissory note in the maximum aggregate principal amount of \$17.2 million (“Guaranteed Subordinated Promissory Note”) the full and timely

payment of which will be severally guaranteed by the Cities of Chesapeake and Norfolk. The Guaranteed Subordinated Promissory Note will be 4th Tier Subordinated Debt, immediately junior to the Guaranteed Subordinated Bonds,.

R-11. The City of Virginia Beach has accepted the Authority's promissory note in the maximum principal amount of \$26,600,000 (the Virginia Beach Note") as evidence of the Authority's obligation to pay such City certain amounts owing to the City under the Ash Disposal Agreement (as herein defined), the payment dates of which have been deferred in accordance with a Forbearance Agreement [[to be] dated as of May [15], 2009] between such City and the Authority, and the lien of the Virginia Beach Note on the Authority's Gross Revenues shall be immediately junior to the claim thereon of the 4th Tier Subordinated Debt and on a parity with the lien of the reimbursement obligations of the Authority to the Units assuring or guaranteeing payment of the Guaranteed Subordinated Bonds and the Guaranteed Subordinated Promissory Note (collectively, 5th Tier Subordinated Debt).

R-12. The Authority has determined that it is necessary and appropriate to authorize the issuance of Guaranteed Subordinated Bonds, subordinate to the Superior Obligations and to the Senior Subordinated Bonds, but senior to the 4th Tier Subordinated Debt and to the 5th Tier Subordinated Debt, to refund the Debt to be Refunded.

R-13. Under the Constitution and laws of the Commonwealth of Virginia, including the Act, the Authority is authorized to adopt this Resolution, to issue the Bonds as hereinafter provided, to apply the proceeds of the Bonds for the purposes hereinbefore stated, and to do or cause to be done all the acts and things herein provided or required to be done as hereinafter covenanted.

Section 501. The Contracts, the Navy Contract and the Ash Landfill Agreement.

(a) The Authority covenants and agrees that it will not suffer, permit or take any action or do anything or fail to take any action or fail to do anything which may result in the termination of any Contract so long as Bonds are Outstanding; that it will fulfill its obligations and will require the Units to perform punctually their duties and obligations under the Contracts and will otherwise administer the Contracts in accordance with their respective terms to assure the timely payment of all amounts payable by the Contracting Units thereunder, all in accordance with the terms of the Contracts; that it will not execute or agree to any change, amendment or modification of or supplement to any Contract except by supplemental contract duly executed by the applicable Unit or Units and the Authority and upon the further terms and conditions set forth in Article XII of this Resolution; and that, except as provided in said Article XII, it will not agree to any abatement, reduction, abrogation, waiver, diminution or other modification in any manner or to any extent whatsoever of the obligation of any Contracting Unit under its Contract to meet its obligations as provided in such Contract.

(b)(i) The Authority covenants and agrees that it will not suffer, permit or take any action or do anything or fail to take any action or fail to do anything which may result in the termination of the Navy Contract so long as Bonds are Outstanding; that it will fulfill its obligations and it will enforce the obligations of the United States of America under the Navy Contract; and that it will not execute or agree to any change, amendment or modification of or supplement to the Navy Contract except by supplemental contract duly executed by the parties thereto and upon the further terms and conditions set forth in Article XII of this Resolution.

(ii) The provisions of Section 501(b)(i) shall be deemed to have been repealed contingent upon and effective on the WTE Sale Date.

(c) Subject in all respects to the provisions of the Forbearance Agreement, the Authority covenants and agrees (i) that it will fulfill its obligations and it will enforce the obligations of the City of Virginia Beach, Virginia under the Ash Disposal Agreement, (ii) that it will not execute or agree to any change, amendment or modification of or supplement to the Ash Disposal Agreement except by supplemental contract duly executed by the parties thereto and upon the further terms and conditions set forth in Article XII of this Resolution, and (iii) that, except as provided in said Article XII, it will not agree to any abatement, reduction, abrogation,

waiver, diminution or other modification in any manner or to any extent whatsoever of the obligation of the City of Virginia Beach, Virginia under the Ash Disposal Agreement to meet its obligations as provided in such Agreement.

Section 502. Rate Covenant. The Authority further covenants that it will at all times fix, charge and collect reasonable rates and charges for the use of, and for the services and facilities furnished by, the Disposal System and that from time to time, and as often as it shall appear necessary, it will adjust such rates and charges so that the Net Revenues in each Fiscal Year be sufficient to provide, together with any other funds available therefor, during such Fiscal Year an amount at least equal to one hundred percent (100%) of the Net Accrued Debt Service in such Fiscal Year on all outstanding Indebtedness and any other obligations of the Authority payable from Net Revenues.

The Authority further covenants that, subject to the provisions of Section 714(b), if the moneys available for the payment of the sum of the amounts set forth in the preceding paragraph shall be less than the amount required for any Fiscal Year, it will revise the rates and charges for the services and facilities furnished by the Disposal System, including the tipping fees payable under the Contracts, and, if necessary, it will revise its plan of operation in relation to the collection of bills for such services and facilities, so that such deficiency will be made up before the end of the next ensuing Fiscal Year. Should any deficiency not be made up in such next ensuing Fiscal Year, the requirement therefor shall be cumulative and the Authority shall continue to revise such rates until such deficiency shall have been completely made up.

Section 503. Annual Budget. The Authority covenants that it will adopt for each Fiscal Year budgets of Gross Revenue and Operating Expenses and capital expenditures, which budgets may be amended from time to time, all as provided by Section 712 hereof.

The Authority further covenants that the amount expended for Operating Expenses in any Fiscal Year will not exceed the reasonable and necessary amount thereof, and that it will not expend any amount for maintenance, repair and operation of the Disposal System in excess of the total amount provided for Operating Expenses in the Annual Budget. Nothing in this Section contained shall limit the amount which the Authority may expend for Operating Expenses in any Fiscal Year provided any amounts expended therefor in excess of the total amount provided in the Annual Budget shall be received by the Authority from some source other than the Gross Revenues of the Disposal System and the Authority shall not make any reimbursement therefor from such Gross Revenues.

Section 504. Establishment of Fund and Accounts. The Authority has heretofore by resolution established a special fund designated “Southeastern Public Service Authority of Virginia Solid Waste Disposal System Fund” (herein called the “Solid Waste Disposal System Fund”) and certain accounts therein, including the “Southeastern Public Service Authority of Virginia Solid Waste Disposal System Subordinated Obligations Account” (herein called the “Subordinated Obligations Account”), all of which are hereby continued. The moneys in the

Solid Waste Disposal System Fund shall be held by or for the benefit of the Authority and applied as hereinafter provided.

The Authority has heretofore by resolution established with a Depository the “Southeastern Public Service Authority of Virginia Solid Waste Disposal System General Account” (herein called the “General Account”) which is hereby continued. The moneys in the General Account shall be applied as hereinafter provided.

There is hereby established within the Subordinated Obligations Account a special subaccount designated the “Southeastern Public Service Authority of Virginia Solid Waste Disposal System Guaranteed Subordinated Bonds Subaccount” (herein called the “Guaranteed Subordinated Bonds Subaccount”).

The money in each of said fund, accounts and subaccounts shall be held in trust and applied as hereinafter provided.

Section 505. Funds Received. All Gross Revenues received by the Authority shall be deposited in the General Account. The moneys to the credit of the General Account shall be deposited with and held by a Depository for the account of the Authority and, pending the withdrawal of moneys from such Account and the deposit thereof with the Trustee as hereinafter in this Section provided, such moneys shall not be subject to any lien or charge in favor of the Bondholders.

Moneys held to the credit of the General Account may be used by the Authority for any lawful purpose. The Authority may, without limitation, appropriate and pay such moneys for, or pledge such moneys to the payment of, Operating Expenses, and bonds, notes or other obligations incurred with respect to, and any costs and expenses related to the construction, replacement, renewal or improvement of the Disposal System, including without limitation, the Authority’s Superior Obligations under the Senior Bond Resolution and the Senior Subordinated Bond Resolution, and the obligation of the Authority to make the deposit required by the next paragraph shall in all respects be subordinate and inferior to Superior Obligations, including Operating Expenses. Nothing in this Resolution shall be construed in any way as limiting the ability of the Authority, and the Authority is hereby expressly authorized, to create other subaccounts within the Subordinated Obligations Account and to authorize the deposit to the credit thereof of any legally available moneys then held to the credit of the General Account and the moneys held to the credit of such subaccounts may be expressly applied and pledged to the payment of obligations of the Authority and the maintaining of reserves therefor after the deposit of moneys to the credit of the Senior Subordinated Obligations Subaccount.

Subject to the foregoing, monthly, on or before each Deposit Day, subsequent to making the withdrawals required in respect of Superior Obligations but prior to making any withdrawal from the General Account for Subordinated Obligations, the Authority shall withdraw from the General Account any legally available moneys then held to the credit of such Account and transfer to the Trustee for credit to the Guaranteed Subordinated Obligations Subaccount an amount not less than the amount sufficient in the aggregate to permit the Depository to deposit,

in the following order and subject to credits as provided in this Article V and taking into account the then current balance to the credit of such Subaccount, as directed in writing by an Authority Representative, the sum of

(1) one-sixth (1/6th) of the interest which has accrued and will accrue on Bonds during the then current interest period; provided, however, that except as specified above, the amount so deposited on account of the then current interest requirement on each Deposit Day after the delivery of the Bonds of any Series under the provisions of this Resolution up to and including the Deposit Day immediately preceding the first Interest Payment Date thereafter of the Bonds of such Series shall be that amount which when multiplied by the number of such deposits will be equal to the amount of such current interest requirement respecting such Bonds during such first interest period; and

(2) one-twelfth (1/12th) of the amount of the principal requirement which will accrue prior to the next principal payment date provided, however, that if there are less than twelve (12) Deposit Days prior to the first principal payment date, the amount so to be deposited in respect of the first principal payment shall be that amount which when multiplied by the number of such remaining deposits will be equal to the first principal payment.

If the amount deposited in any month to the credit of the Guaranteed Subordinated Obligations Subaccount shall be less than the amount required to be deposited under the foregoing provisions of this Section, the requirement therefor shall be nonetheless cumulative and the amount of the deficiency in any month shall be added to the amount otherwise required to be deposited on the next Deposit Day.

If the Series Resolution authorizing any Series of Bonds shall provide that the interest is payable otherwise than semiannually on April 1 or October 1 of each year or that the principal or Sinking Fund Requirements are payable otherwise than on April 1 or October 1, then the Authority shall provide in such Series Resolution for such deposits to the Subaccount mentioned in clauses (1) and (2) above as shall be necessary to accrue evenly and to ensure the sufficiency of the required deposits to make timely payment of the debt service on such Bonds.

If any Series of Bonds is secured by a credit facility, the Trustee shall establish a separate account or subaccount within the Guaranteed Subordinated Obligations Subaccount corresponding to the source of moneys for each deposit made into any of such account(s) so that the Depository may at all times ascertain the source and date of deposit of the funds in each such account(s). In particular, the Trustee shall establish a separate account or subaccount within the Guaranteed Subordinated Obligations Subaccount and credit to such account or subaccount any and all payments received from the Guarantors pursuant to the Guaranty Agreement for application in accordance with the provisions of Section 506. Such funds shall be invested by the Trustee, without any further direction, in Investment Obligations described in (J) of such definition (provided such open end investment funds are primarily invested in Investment

Obligations described in (A) and/or (B) and/or (C) of such definition) pending their application to pay principal or interest on the Bonds.

If the Trustee receives funds from one or both Guaranteeing Units pursuant to Section 506, it shall establish, deposit such funds to the credit of, a special account or subaccount within the Guaranteed Subordinated Obligations Subaccount.

Section 506. Application of Moneys in Guaranteed Subordinated Subaccount. Except as otherwise provided in this Resolution, moneys in the Guaranteed Subordinated Obligations Subaccount shall be used solely for the payment of the principal of and premium, if any, and the interest on the Bonds and the Depository shall on each interest payment date withdraw from such moneys and transfer to the Bond Registrar who shall remit by mail or by wire transfer in accordance with the provisions of the Bonds and Section 203 hereof to each registered owner the amounts required for paying the interest on the Bonds on such date and on each principal payment date the Depository shall withdraw from such moneys and transfer to the Bond Registrar who shall set aside in trust the amounts required for paying the principal of and premium, if any, on the Bonds due on such date.

Section 507. Moneys Held in Trust. All moneys that the Depository shall have withdrawn from the Guaranteed Subordinated Obligations Subaccount or shall have received from any other source and set aside or transferred to the Bond Registrar for the purpose of the Bonds or paying any of the Bonds hereby secured, either at the maturity thereof or by purchase or call for redemption, or for the purpose of paying interest on the Bonds, shall be held in trust for the respective Holders. Any moneys that are so set aside or transferred and that remain unclaimed by the Holders for a period of three (3) years after the date on which such Bonds have become payable shall be paid to the Authority, or to such successor as may then be entitled by law to receive the same, and thereafter the Holders shall look only to the Authority, or to such successor, as the case may be, for payment and then only to the extent of the amounts so received, without any interest thereon, and the Depository and the Bond Registrar shall have no responsibility with respect to such money.

Section 508. Cancellation. All Bonds paid, redeemed or purchased, either at or before maturity, shall be delivered to the Bond Registrar when such payment, redemption or purchase is made, and such Bonds shall be cancelled. The Bond Registrar shall certify to the Authority the details the Bonds so cancelled. The Bonds cancelled under any of the provisions of this Resolution shall be destroyed by the Bond Registrar, which shall execute a certificate in triplicate, describing the Bonds so destroyed, and one executed certificate shall be filed with each of the Authority and the Depository and one executed certificate shall be retained by the Bond Registrar.

Section 509. Disposition of Account Balances. After provision shall be made for the payment of all Outstanding Bonds issued under this Resolution, including the interest thereon, and for the payment of all other obligations, expenses and charges required to be paid under or in connection with this Resolution, and assuming the existence of no other indentures or other

agreements imposing a continuing lien on the balances hereinafter mentioned, the Depository and the Bond Registrar shall pay all amounts in any Account and Subaccount then held by either of them under this Resolution to the Authority; provided, however, that if a continuing lien has been imposed on any such balance by another bond order, indenture, resolution or agreement, the Depository and the Bond Registrar shall pay such balance to such person as such bond order, indenture, resolution or agreement shall provide.

ARTICLE VI.

DEPOSITORIES OF MONEYS, SECURITY FOR DEPOSITS, INVESTMENT OF FUNDS, AND COVENANT AS TO ARBITRAGE

Section 601. Security for Deposits. Any and all moneys deposited with the Depository and the Bond Registrar under the provisions of this Resolution shall, to the extent provided herein, be trust funds under the terms hereof and shall not be subject to any lien or attachment by any creditor of the Authority. Such moneys shall be held in trust and applied in accordance with the provisions of this Resolution.

All moneys deposited with the Depository hereunder in excess of the amount guaranteed by the Federal Deposit Insurance Corporation or other federal agency shall be continuously secured, for the benefit of the Authority and the Holders, either (i) by lodging with a bank or trust company chosen by the Depository or, if then permitted by law, by setting aside under control of the trust department of the bank holding such deposit, as collateral security, Government Obligations or other marketable securities eligible as security for the deposit of trust funds under regulations of the Comptroller of the Currency of the United States or applicable State law or regulations, having a market value (exclusive of accrued interest) not less than the amount of such deposit, or (ii) if the furnishing of security as provided in clause (i) above is not permitted by applicable law, then in such other manner as may then be required or permitted by applicable State or federal laws and regulations regarding the security for, or granting a preference in the case of, the deposit of trust funds; provided, however, that it shall not be necessary for the Bond Registrar to give security for the deposit of any moneys with it for the payment of the principal of or the redemption premium or the interest on the Bonds, or for the Depository to give security for any moneys that shall be represented by obligations purchased under the provisions of this Article as an investment of such moneys.

All moneys deposited with the Depository shall be credited to the particular account or subaccount to which such moneys belong.

Section 602. Investment of Moneys. Moneys held for the credit of all accounts or subaccounts shall be continuously invested and reinvested at the direction of the Authority Representative.

Moneys held for the credit of the Guaranteed Subordinated Obligations Subaccount shall, as nearly as may be practicable, be invested and reinvested in Investment Obligations which shall mature, or which shall be subject to redemption at the option of the holder thereof, not later than the respective dates when the moneys held for the credit of said Account or Subaccount will be required for the purposes intended.

Subject to the provisions and restrictions of any instrument securing any Superior Obligations and except as otherwise provided herein, moneys held for the credit of the General Account shall be invested and reinvested in any Investment Obligations that shall mature, or that shall be subject to redemption at the option of the holder thereof, at the times required.

Investment Obligations acquired with moneys and credited to any Account or Subaccount held by or under the control of the Depository shall, while so held, be deemed at all times to be part of such Account or Subaccount in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized upon the disposition or maturity of such investment shall be credited to or charged against such Account or Subaccount. The Depository shall sell at the best price obtainable or reduce to cash a sufficient amount of such Investment Obligations whenever it shall be necessary so to do in order to provide moneys to make any payment or transfer of moneys from any such Account or Subaccount. The Depository shall not be liable or responsible for any loss resulting from any such investment.

Whenever a payment or transfer of moneys from one Account or Subaccount established pursuant to Article V of this Resolution to another is permitted or required, such payment or transfer may be made in whole or in part by transfer of one or more Investment Obligations at a value determined in accordance with this Article, provided that the Investment Obligations transferred are those in which moneys of the receiving Account or Subaccount could be invested at the date of each transfer.

Section 603. Valuation. For the purpose of determining the amount on deposit to the credit of any such Account or Subaccount, obligations maturing or subject to redemption at the option of the holder thereof in more than ten years in which money in such Account or Subaccount shall have been invested shall be valued at the market value or the amortized cost thereof, whichever is lower, and obligations maturing or subject to redemption at the option of the holder thereof in ten years or less in which money in such Account or Subaccount shall have been invested shall be valued at the amortized cost thereof.

The Depository shall value the Investment Obligations in the Accounts or Subaccounts established under this Resolution twelve (12) business days prior to each Interest Payment Date. In addition, the Investment Obligations shall be valued by the Depository at any time requested by the Authority Representative on reasonable notice (which period of notice may be waived or reduced by the Depository); provided, however, that the Depository shall not be required to value the Investment Obligations more than once in any calendar month.

Section 604. Tax Covenant. The Authority covenants that it will comply with the provisions of the Internal Revenue Code of 1986, as amended, to the extent necessary so that interest on the Bonds will remain exempt from existing Federal income taxes to which it is not subject on the date of the issuance of such Bonds.

ARTICLE VII.

GENERAL COVENANTS AND REPRESENTATIONS

Section 701. Payment of Principal, Interest and Premium. The Authority shall cause to be paid, when due, the principal of (whether at maturity, by call for redemption or otherwise) and the premium, if any, and the interest on the Bonds at the places, on the dates and in the manner provided herein and in the Bonds according to the true intent and meaning thereof.

The Gross Revenues of the Authority, subject in all respects to the prior payment therefrom of Operating Expenses and other Superior Obligations, are hereby pledged to the payment of the principal of and redemption premium, if any, and interest on the Bonds, as provided in this Resolution. The Bonds are payable solely from Net Revenues Available for Debt Service derived by the Authority from the ownership and operation of the Disposal System (and other moneys in the accounts and subaccount established hereunder and the investment earnings thereon), as provided in this Resolution. Except as otherwise provided in the Guaranty Agreement, the Bonds issued under this Resolution shall not be secured by a pledge of the full faith and credit of the State or of any political subdivision thereof, including the Authority, or be deemed to create an indebtedness of the State or any political subdivision thereof, including the Authority, but shall be payable solely from the revenues and receipts provided for their payment under this Resolution.

Section 702. Covenant to Perform. The Authority shall faithfully perform at all times all of its covenants, undertakings and agreements contained in this Resolution and in the Bonds executed, authenticated and delivered hereunder. The Authority represents that it is duly authorized under the Constitution and laws of the State, particularly the Act, to issue the Bonds authorized hereby and to adopt this Resolution and pledge the Net Revenues Available for Debt Service of the Disposal System, in the manner and to the extent herein set forth as security for the Bonds; that all action on its part for the issuance of the Bonds and the adoption of this Resolution has been duly and effectively taken; and that such Bonds in the hands of the Holders thereof are and will be valid and enforceable limited obligations of the Authority according to their terms.

Section 703. Covenant as to the Guaranty Agreement. The Authority covenants that it will fulfill its obligations under the Guaranty Agreement. Specifically, the Authority shall give notice to the Trustee and VRA in the event that any deposit required by Section 505(1) and (2) is not made in full on or before the applicable Deposit Day and in such case the amount of the deficiency. Likewise, the Authority shall give further notice to the Trustee and VRA in the event that subsequent such Deposit Day the Authority shall have made a payment to the Trustee sufficient for the Trustee to cure all or any portion of the deficiency described in the prior deficiency notice.

Section 704. Construction. The Authority covenants that it will cause the capital improvements to the Disposal System in conformity with law and all requirements of all governmental authorities having jurisdiction and of this Resolution.

Section 705. Use and Operation of Disposal System. The Authority covenants that it will maintain and enforce reasonable rules and regulations governing the use of the Disposal System and the operation thereof, that all conditions of employment and all compensation, salaries, fees and wages paid by it in connection with the maintenance, repair and operation of the Disposal System will be reasonable, that no more persons will be employed by it than are necessary, that all persons employed by it will be qualified for their respective positions, that it will maintain and operate the Disposal System in an efficient and economical manner, that, from Gross Revenues and from any other available moneys, it will at all times maintain the same in good repair and in sound operating condition and will make all necessary repairs, renewals and replacements, and that it will, in a manner not inconsistent with this Resolution, comply, subject to the right to contest, with all valid acts, rules, regulations, orders and directives of any legislative, executive, administrative or judicial body applicable to the Disposal System.

Section 706. Payment of Lawful Charges. The Authority covenants that, except as provided in this Resolution, it will not create or suffer to be created any lien or charge upon the Disposal System or upon the Gross Revenues, other than the lien created by this Resolution, but at all times subject to the provisions of Section 505 hereof, and that, from such Gross Revenues or other available funds, it will pay all taxes and assessments, or payments in lieu thereof, or other municipal or governmental charges lawfully levied or assessed upon the Authority or the Disposal System or the Gross Revenues, and that it will pay or cause to be discharged, or will make adequate provision to satisfy and discharge, within sixty (60) days after the same shall accrue, all lawful claims and demands for labor, materials, supplies or other objects which, if unpaid, might by law become a lien upon the Disposal System or the Gross Revenues; provided, however, that nothing in this Section contained shall require the Authority to pay or cause to be discharged, or make provision for, any such tax, assessment, lien or charge so long as the validity thereof shall be contested in good faith and by appropriate legal proceedings.

Section 707. Insurance. The Authority covenants that it will maintain a practical insurance program, with reasonable terms, conditions, provisions and costs, which the Authority determines (i) will afford adequate protection against loss caused by damage to or destruction of the Disposal System or any part thereof and (ii) will include reasonable liability insurance on all of the Disposal System for bodily injury and property damage resulting from the construction or operation of the Disposal System.

Section 708. No Inconsistent Action. The Authority covenants that none of the Gross Revenues will be used for any purpose which is inconsistent with the provisions of this Resolution and that no contract or contracts will be entered into or any action taken by it which shall be inconsistent with the provisions of this Resolution.

Section 709. Records and Audits. The Authority covenants that it will keep the Accounts of the Disposal System separate from all other funds and accounts, if any, of the Authority, and that it will keep accurate records and accounts of all expenditures relating to the Disposal System and of the Gross Revenues collected and the application of such Gross Revenues. Such records and accounts shall be open at all reasonable times to the inspection of the Bank, the Trustee and the Holders of the Bonds.

The Authority further covenants that within ninety (90) days after the close of each Fiscal Year it will cause an audit to be made of its books and accounts relating to the Disposal System for the preceding Fiscal Year by an Accountant. The opinion of the Accountant accompanying such audit shall state that the examinations were made in accordance with generally accepted auditing standards and that the financial statements have been presented in conformity with generally accepted accounting principles. In the event that for any reason beyond its control the Authority is unable to obtain the foregoing opinion as to compliance with generally accepted auditing standards, or in the event that the Authority is able to obtain such opinion as to conformity with generally accepted accounting principles, and is taking all reasonable and feasible actions to obtain such opinion as to subsequent Fiscal Years, the Authority shall be deemed to be in compliance with the provisions of this Section if, in lieu of the opinion required above, such opinion states the reasons for such noncompliance or nonconformity.

The cost of the reports and audits referred to in this Section shall be treated as Operating Expenses.

Section 710. Contracts, Leases and Other Agreements. Subject to the provisions of Sections 604, 713 and 717 of this Resolution, the Authority may lease, as lessor, all or any part of the Disposal System, or contract or agree for the performance by others of Contracted Services on or in connection with the Disposal System or any part thereof, for any lawful purpose; provided, that:

(a) each such lease, contract or agreement, or any amendment or rescission thereof, shall not be inconsistent with the provisions of this Resolution,

(b) the Authority shall remain fully obligated and responsible under this Resolution to the same extent as if such lease, contract or agreement, or any amendment or rescission thereof, had not been executed, and

(c) if, the amount payable to or by the Authority in the then current or any subsequent Fiscal Year under any such lease, contract or agreement, or any amendment or rescission thereof, shall exceed 5% of the Gross Revenues of the Authority for the preceding Fiscal Year, then, the Authority shall expressly determine by resolution, and shall obtain a statement from the Consulting Engineer affirming such determination, that such lease, contract or agreement, or amendment or rescission thereof, does not materially impair the ability of the Authority to meet its covenant set forth in Section 502 of this Resolution.

Section 711. Covenant Against Sale or Encumbrance and Exceptions thereto. The Authority covenants that, except as in this Section and Sections 710 and 717 of this Resolution otherwise permitted, and subject to the provisions of Section 604 hereof, it will not sell, exchange or otherwise dispose of or encumber the Disposal System or any part thereof.

The Authority may from time to time sell, exchange or otherwise dispose of any equipment, motor vehicles, machinery, fixtures, apparatus, tools, instruments or other movable property if it determines that such articles are no longer needed or are no longer useful in connection with the Disposal System, and the proceeds thereof shall be applied to the replacement of the properties so sold, exchanged or disposed of or shall be transferred in accordance with the provisions of the Senior Bond Resolution, all as directed in a certificate of the Authority.

The Authority may from time to time sell, exchange or otherwise dispose of (but not lease, contract or agree for the use thereof except as permitted under Section 710 of this Resolution) any other property of the Disposal System if it determines by resolution:

(a) that such property is no longer needed or is no longer useful in connection with the Disposal System, or

(b) that the sale, exchange or other disposition thereof would not materially adversely affect the operating efficiency of the Disposal System,

and the proceeds, if any, thereof shall be applied in accordance with the provisions of the Senior Bond Resolution, or, if all Senior Indebtedness shall have been retired, then in accordance with the provisions of the Senior Subordinated Bond Resolution, or, if all Senior Subordinated Bonds shall have been retired, all as directed in a certificate of the Authority.

Section 712. Budgets and Covenants as to Operating Expenses. The Authority covenants that on or before the 15th day of May, 2010 and of each Fiscal Year thereafter it will prepare with respect to the Disposal System a preliminary budget of Gross Revenues and Operating Expenses and a preliminary budget of capital expenditures for the ensuing Fiscal Year and file copies of each such preliminary budget with the Trustee.

The Authority further covenants that on or before the last day in such Fiscal Year it will finally adopt the Annual Budget of Gross Revenues and Operating Expenses and the budget of capital expenditures for the ensuing Fiscal Year (which budgets together with any amendments thereof or supplements thereto as hereinafter permitted being herein sometimes collectively called the "Annual Budget"). Copies of the Annual Budget shall be filed with the Trustee.

If for any reason the Authority shall not have adopted the Annual Budget before the first day of any Fiscal Year, the preliminary budget for such Fiscal Year or, if there is none, the budget for the preceding Fiscal Year, shall, until the adoption of the Annual Budget, be deemed to be in force and shall be treated as the Annual Budget under the provisions of this Section.

The Authority may at any time adopt an amended or supplemented Annual Budget for the remainder of the then current Fiscal Year, and when so adopted the Annual Budget as so amended or supplemented shall be treated as the Annual Budget under the provisions of this Section. Copies of any such amended or supplemental Annual Budget shall be filed with the Trustee.

If the Authority has adopted a project budget extending beyond one Fiscal Year, the capital expenditures covered by such project budget need not be covered by the Annual Budget except that such Annual Budget shall contain a reference to any such project budget.

Section 713. Service Contracts. (a) The Authority may enter into agreements for Contracted Services for the benefit of the Disposal System (in this Section called “Service Contracts”).

(b) The Authority covenants that it will faithfully fulfill all lawful requirements of all Service Contracts and that it will require all other parties thereto to fulfill their lawful obligations thereunder.

(c) Anything in this Resolution to the contrary notwithstanding, the Authority’s covenants applicable to the Disposal System set forth in this Resolution shall be applicable to the facilities, products and services to which the Authority shall be entitled under Service Contracts only to the extent that the Authority may reasonably and practicably fulfill such covenants as a matter of contract right or that the Authority may legally enforce the covenants of other parties thereto.

Section 714. Consulting Engineer. (a) The Authority covenants that it will, for the purpose of performing and carrying out the duties imposed on the Consulting Engineer by this Resolution, employ an independent engineer or engineering firm or corporation having a nationwide and favorable reputation for skill and experience in such work. R.W. Beck and Associates, Waltham, Massachusetts, are now employed by the Authority as such Consulting Engineer.

(b) In addition to the duties elsewhere in this Resolution assigned to the Consulting Engineer, it shall annually prepare and deliver to the Authority and the Trustee, on or before April 1 of each year, a report regarding the Disposal System and containing its recommendations concerning the proper maintenance, repair and operation of the Disposal System during the following Fiscal Year, any necessary changes in the services to be provided through the Disposal System during the following Fiscal Year, any additions, improvements or renewals or replacements that should be made during the following Fiscal Year, the estimated Gross Revenues necessary for such purposes, and any necessary revisions to the tipping fees. If in any Fiscal Year the Net Revenues Available for Debt Service are less than the amount required by Section 502, the Authority will direct the Consulting Engineer to make recommendations with respect to the revision of its tipping fees, improvements to or changes in the operations of the Disposal System or the services rendered by the Authority through the Disposal System. If the Authority implements the recommendations of the Consulting Engineer

and thereafter the Net Revenues Available for Debt Service fail in the succeeding Fiscal Year to equal the amount required by Section 502, such failure shall not, in and of itself, constitute an Event of Default.

Section 715. Subordinate Indebtedness. The Authority may, at any time or from time to time, issue or incur Subordinate Indebtedness for any purpose of the Authority in connection with the Disposal System, including, without limitation, the financing of a all or any part of the Cost of acquisition and installation of capital improvements to the Disposal System or any other item of “Cost” as defined in section 15.2-5101 of the Act or the refunding of any Subordinate Indebtedness or all or any of the Bonds or any Outstanding Bonds or Senior Indebtedness. Such Subordinate Indebtedness shall be payable out of and may be secured by a pledge of such amounts in the Subordinated Obligations Account as may from time to time be available therefor, provided that any such payment or pledge shall be, and shall be expressed to be, subordinate and junior in all respects to the pledge and lien created under this Resolution as security for the Bonds.

Section 716. [Repealed].

Section 717. No Additional Indebtedness under the Senior Bond Resolution. The Authority irrevocably covenants for the benefit of the Holders under this Resolution that it will not, subsequent to the effective date of this Resolution, issue or otherwise incur any Senior Bonds or Parity Indebtedness under the Senior Bond Resolution; provided, however, that nothing in this Section 717 shall impair the obligation of the Authority to the holders of its Senior Bonds or Parity Indebtedness or under any credit facility related thereto existing as of the effective date of this Resolution.

ARTICLE VIII.

EVENTS OF DEFAULT AND REMEDIES

Section 801. Events of Default. Each of the following events is hereby declared an Event of Default:

(a) payment of any installment of interest on the Bonds shall not be made when the same shall become due and payable; or

(b) payment of the principal or of the redemption premium, if any, of the Bonds shall not be made when the same shall become due and payable, whether at maturity or by proceedings for redemption or pursuant to any Sinking Fund Requirement or otherwise; or

(c) the principal of any Superior Obligations (excluding Operating Expenses) shall have been declared immediately due and payable;

(d) default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in this Resolution or any resolution supplemental hereto and such default shall continue for ninety (90) days or such further time as may be granted in writing by the Trustee after receipt by the Authority of a written notice from the Trustee specifying such default and requiring the same to be remedied; provided, however, that no Event of Default under the provisions of this paragraph (d) shall occur so long as the Authority is in good faith acting to remedy the default and such default is, in the opinion of the Trustee, curable by such remedial action, or

(e) the Authority shall: (i) become insolvent or the subject of insolvency proceedings; or (ii) be unable, or admit in writing its inability, to pay its debts as they mature; or (iii) make a general assignment for the benefit of creditors or to an agent authorized to liquidate any substantial amount of its property; or (iv) file a petition or other pleading seeking reorganization, composition, readjustment or liquidation of assets, or requesting similar relief; or (v) apply to a court for the appointment of a receiver for any of its assets; or (vi) have a receiver or liquidator appointed for any of its assets (with or without the consent of the Authority) and such receiver shall not be discharged within 90 consecutive days after his appointment; or (vii) become the subject of an "order for relief" within the meaning of the United States Bankruptcy Code; or (viii) file an answer to a creditor's petition admitting the material allegations thereof for liquidation, reorganization, readjustment or composition or to effect a plan or other arrangement with creditors or fail to have such petition dismissed within 60 consecutive days after the same is filed against the Authority.

The foregoing provisions of subsection (d) of this section are subject to the provisions of Section 714(b) and the following limitations: if by reason of *force majeure*, the Authority is unable in whole or in part to carry out any of its agreements herein contained, the failure of the Authority to carry out any such agreements, other than the obligations on the part of the Authority contained in Sections 502 and 707 of this Resolution, shall not be deemed an Event of Default

during the continuance of such inability, including a reasonable time for the removal of the effect thereof.

The term “*force majeure*” shall mean any cause, circumstance or event that is not reasonably foreseeable and that is not within the control of the Authority, including, without limitation, the following: acts of God; strikes, lockouts or other industrial disturbances; acts of public enemies; orders or restraints of any kind of the government of the United States or of the State or any of their departments, agencies, political subdivisions or officials, or any civil or military authority; war; insurrections; civil disturbances; riots; epidemics; landslides; lightning; earthquakes; fires; hurricanes; storms; droughts; floods; washouts; arrests; restraint of government and people; explosions, breakage, malfunction of or accident to facilities, machinery, transmission pipes or canals; partial or entire failure of utilities; or shortages of or inability to obtain labor, materials, supplies or transportation.

The Authority agrees, however, to use its best efforts to remedy with all reasonable dispatch any force majeure preventing it from carrying out its agreements; provided, that the settlement of strikes, lockouts and other industrial disturbances shall be entirely within the discretion of the Authority, and the Authority shall not be required to make settlement of strikes, lockouts and other industrial disturbances by acceding to the demands of the opposing party or parties when such course is in the judgment of the Authority unfavorable to the Authority.

The Authority shall give the Bond Registrar, the Depository and the Trustee notice of all events of which it is aware that either constitute Events of Default under this Resolution or, upon notice by or to the Authority or the passage of time, would constitute Events of Default hereunder.

Section 802. Acceleration of Maturities. Upon the happening and continuance of any Event of Default specified in Section 801, then and in every such case the Trustee may, and upon the written request of the Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding shall, by a notice in writing to the Authority, declare the principal of the Bonds or of all of the Bonds then Outstanding (if not then due and payable), respectively, to be due and payable immediately, and upon such declaration the same shall become and be immediately due and payable, anything contained in the Bonds or this Resolution to the contrary notwithstanding but subject to the provisions of Section 813 hereof; provided, however, that if at any time after the principal of the Bonds shall have been so declared to be due and payable, and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under this Resolution, moneys shall have accumulated in the Guaranteed Subordinated Obligations Subaccount sufficient to pay the principal of all matured Bonds and all arrears of interest, if any, upon all the Bonds then Outstanding (except the principal of the Bonds not then due and payable by their terms and the interest accrued on such Bonds since the last Interest Payment Date) and sufficient to satisfy the Sinking Fund Requirements of the then current Fiscal Year, and the charges, compensation, expenses, disbursements, advances and liabilities of the Depository, the Bond Registrar and the Trustee, if any, and all other amounts then payable by the Authority

hereunder shall have been paid or a sum sufficient to pay the same shall have been deposited with the Trustee or with the Depository, and every other default known to the Depository, Trustee or Bond Registrar in the observance or performance of any covenant, condition, agreement or provision contained in the Bonds or this Resolution (other than a default in the payment of the principal of Bonds then due and payable only because of a declaration under this Section) shall have been remedied to the satisfaction of the Trustee, then and in every such case the Trustee may, and if so directed by the Holders of not less than a majority in aggregate principal amount of Bonds Outstanding shall, by written notice to the Authority, rescind and annul such declaration and its consequences, but no such rescission or annulment shall extend to or affect any subsequent Event of Default or impair any right consequent thereon.

Section 803. Enforcement of Remedies. Upon the happening and continuance of an Event of Default specified in Section 801 of this Article, then and in every such case the Trustee may proceed, and upon the written request of the Holders of not less than a majority in aggregate principal amount of any Bonds then Outstanding, the Trustee shall proceed to protect and enforce its rights and the rights of the Holders under the laws of the State or under this Resolution by such suits, actions or special proceedings in equity or at law, or by proceedings in the office of any board or officer having jurisdiction, either for the specific performance of any covenant or agreement contained herein or in aid or execution of any power herein granted or for the enforcement of any proper legal or equitable remedy, as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce such rights.

In the enforcement of any remedy under this Resolution, the Trustee shall be entitled to sue for, enforce payment of and receive any and all amounts then or during any Event of Default becoming and remaining due from the Authority for principal, interest or otherwise under any of the provisions of this Resolution or of the Bonds, together with interest on overdue payments of principal at the rate or rates of interest payable on the Bonds Outstanding and all costs and expenses of collection and of all proceedings hereunder, without prejudice to any other right or remedy of the Trustee or of the Holders and to recover and enforce any judgment or decree against the Authority, but solely as provided herein, for any portion of such amounts remaining unpaid and interest, costs and expenses as above provided, and to collect (but solely from money available for such purposes), in any manner provided by law, the money adjudged or decreed to be payable.

Section 804. Pro Rata Application of Funds. Anything in this Resolution to the contrary notwithstanding, if at any time the moneys in the Guaranteed Subordinated Obligations Subaccount shall not be sufficient to pay the interest on or the principal of the Bonds as the same shall become due and payable (either by their terms or by acceleration of maturities under the provisions of Section 802), such moneys, together with any moneys then available or thereafter becoming available for such purpose, whether through the exercise of the remedies provided for in this Article or otherwise, shall be applied as provided in this Section.

(a) If the principal of all the Bonds shall not have become or shall not have been declared due and payable, all such moneys shall be applied

first: to the payment to the persons entitled thereto of all installments of interest on the Bonds then due and payable in the order in which such installments became due and payable and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment, ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified therein;

second: to the payment to the persons entitled thereto of the unpaid principal of the Bonds which shall have become due and payable (other than principal installments of the Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Resolution), in the order of their due dates, with interest on the principal amount of the Bonds at the respective rates specified therein from the respective dates upon which the Bonds became due and payable, and, if the amount available shall not be sufficient to pay in full the principal of the Bonds due and payable on any particular date, together with such interest, then to the payment first of such interest, ratably, according to the amount of such interest due on such date, and then to the payment of such principal, ratably, according to the amount of such principal due on such date, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified therein; and

third: to the payment of interest on and the principal of the Bonds, all in accordance with the provisions of Article V.

(b) If the principal of all the Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied

first: to the payment to the persons entitled thereto of all installments of interest on the Bonds due and payable on or prior to maturity, if any, in the order in which such installments became due and payable and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment, ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified therein, and then to the payment of any interest due and payable after maturity on the Bonds, ratably, to the persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds; and

second: to the payment of the principal of the Bonds, ratably, to the persons entitled thereto, without preference or priority of any Bond over any other Bond.

(c) If the principal of all the Bonds shall have been declared due and payable and if such declaration shall thereafter have been rescinded and annulled under the provisions of Section 802 then, subject to the provisions of paragraph (b) of this Section in the event that the

principal of all the Bonds shall later become due and payable or be declared due and payable, the moneys remaining in and thereafter accruing to the Guaranteed Subordinated Obligations Subaccount shall be applied in accordance with the provisions of paragraph (a) of this Section.

Whenever moneys are to be applied by the Trustee pursuant to the provisions of this Section, such moneys shall be applied by the Trustee at such times, and from time to time, as the Trustee in its sole discretion shall determine, having due regard to the amount of such moneys available for such application and the likelihood of additional moneys becoming available for such application in the future, the deposit of such moneys with the Bond Registrar, or otherwise setting aside such moneys, in trust for the proper purpose shall constitute proper application by the Trustee; and the Trustee shall incur no liability whatsoever to any Holder of Bonds or to any other person for any delay in applying any such moneys, so long as the Trustee acts with reasonable diligence, having due regard to the circumstances, and ultimately applies the same in accordance with such provisions of this Resolution as may be applicable at the time of application by the Trustee. Whenever the Trustee shall exercise such discretion in applying such moneys, it shall fix the date (which shall be an Interest Payment Date unless another date is deemed more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee or the Bond Registrar shall give such notice as it may deem appropriate of the fixing of any such date and shall not be required to make payment to the Holder of any Bond until such Bond shall be surrendered to the Trustee or the Bond Registrar for appropriate endorsement, or for cancellation if fully paid.

Section 805. Effect of Discontinuance of Proceedings. If any proceeding taken by Trustee or Holders on account of any Event of Default shall have been discontinued or abandoned for any reason, then and in every such case, the Authority, the Trustee and the Holders shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no proceeding had been taken.

Section 806. Control of Proceedings by Holders. Anything in this Resolution to the contrary notwithstanding, the Holders of a majority in aggregate principal amount of Bonds then Outstanding shall have the right, by an instrument or concurrent instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all remedial proceedings to be taken by the Trustee hereunder, provided that such direction shall be in accordance with law and the provisions of this Resolution.

Section 807. Restrictions Upon Actions by Individual Holders. Except as provided in Section 812 of this Article, no Holder shall have any right to institute any suit, action or proceeding in equity or at law on any Bond or for the execution of any trust hereunder or for any other remedy hereunder unless such Holder previously shall have given to the Trustee and to the Authority written notice of the Event of Default on account of which such suit, action or proceeding is to be instituted, and unless also the Holders shall have made a written request of the Trustee, after the right to exercise such powers or right of action, as the case may be, shall

have accrued, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers hereinabove granted or to institute such action, suit or proceedings in its or their name, and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee shall have refused or neglected to comply with such request within a reasonable time. Such notification, request and offer of indemnity are hereby declared in every such case, at the option of the Trustee, to be conditions precedent to the execution of the powers and trusts of this Resolution or to any other remedy hereunder. Notwithstanding the foregoing provisions of this Section and without complying therewith, the Holders of not less than a majority in aggregate principal amount of Bonds then Outstanding may institute any such suit, action or proceeding in their own names for the benefit of all Holders hereunder. It is understood and intended that, except as otherwise above provided, no one or more Holders shall have any right in any manner whatsoever by his or their action to affect, disturb or prejudice the security of this Resolution, or to enforce any right hereunder except in the manner provided, that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the benefit of all Holders and that any individual rights of action or other right given to one or more of such Holders by law are restricted by this Resolution to the rights and remedies herein provided.

Section 808. Enforcement of Rights of Action. All rights of action (including the right to file proof of claim) under this Resolution or under the Bonds may be enforced by the Trustee without the possession of any Bonds or the production thereof in any proceedings relating thereto, and any such suit or proceedings instituted by the Trustee shall be brought in its name as Trustee, without the necessity of joining as plaintiffs or defendants any Holders hereby secured, and any recovery of judgment shall be for the equal benefit of the Holders.

Section 809. No Remedy Exclusive. No remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other remedy or remedies herein provided, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity.

Section 810. Delay Not a Waiver. No delay or omission by the Trustee or any Holder in the exercise of any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or any acquiescence therein; and every power or remedy given by this Resolution to the Trustee and to the Holders may be exercised from time to time and as often as may be deemed expedient.

The Trustee may, and upon written request of the Holders of not less than a majority in principal amount of the Bonds then Outstanding shall, waive any default which in its opinion shall have been remedied before the entry of final judgment or decree in any suit, action or proceeding instituted by it under the provisions of this Resolution or before the completion of the enforcement of any subsequent default or defaults or impair any rights or remedies consequent thereon.

Section 811. Notice of Default. The Bond Registrar shall mail to all Holders at their addresses as they appear on the registration books written notice of the occurrence of any Event of Default set forth in Section 801 of this Article within thirty (30) days after the Bond Registrar shall have notice of the same, pursuant to the provisions of Section 906 of this Resolution, that any such Event of Default shall have occurred.

Section 812. Right to Enforce Payment Unimpaired. Nothing in this Article shall affect or impair the right of any Holder to enforce the payment of the principal of and the interest on his Bond or the obligation of the Authority to pay the principal of and the interest on each Bond to the Holder thereof at the time and place in said Bond expressed.

Section 813. Subordination. Notwithstanding any other provision of this Resolution to the contrary:

(1) In the event of any insolvency or bankruptcy proceedings, and any receivership, liquidation, reorganization or other similar proceedings in connection therewith, relative to the Authority, as such, or to its property, and in the event of any proceedings for voluntary liquidation, dissolution or other winding up of the Authority, whether or not involving insolvency or bankruptcy, the holders of all Superior Obligations then outstanding shall be entitled to receive payment in full of all principal and interest due on all such Superior Obligations in accordance with the provisions of resolutions or other instruments authorizing their issuance before the Trustee and the Holders of the Bonds are entitled to receive any payment from the Net Revenues or other moneys pledged to the Bonds on account of principal (and premium, if any) or interest upon the Bonds.

(2) In the event that the Bonds are declared due and payable before their stated maturity because of the occurrence of an Event of Default (under circumstances when the provisions of paragraph (1) above shall not be applicable), the holders of all Superior Obligations outstanding at the time the Bonds become due and payable because of such occurrence of such an Event of Default shall be entitled to receive payment in full of all principal and interest on all such Superior Obligations before the Holders of the Bonds are entitled to receive any accelerated payment from the Net Revenues and other moneys pledged to the Bonds of principal (and premium, if any) or interest upon the Bonds.

(3) If any event of default with respect to the Superior Obligations shall have occurred and be continuing (under circumstances when the provisions of paragraph (1) above shall not be applicable), the holders of all such Superior Obligations then outstanding shall be entitled to receive payment in full of all principal and interest on all such Obligations as the same become due and payable before the Holders of the Bonds are entitled to receive, subject to the provisions of paragraph (5) below, any payment from the Net Revenues and other moneys pledged to the Bonds under this Resolution of principal (and premium, if any) or interest upon the Bonds.

(4) No holder of Superior Obligations shall be prejudiced in his right to enforce subordination of the Bonds by any act or failure to act on the part of the Authority.

(5) The provisions of paragraphs (1), (2), (3) and (4) above are solely for the purpose of defining the relative rights of the holders of the Superior Obligations on the one hand, and the Holders of Bonds on the other hand, and nothing herein shall impair, as between the Authority and the Holders of the Bonds, the obligation of the Authority, which shall be unconditional and absolute, to pay to the Holders of the Bonds the principal thereof and premium, if any, and interest on the Bonds, respectively, in accordance with their terms, nor shall anything herein prevent the Holders of the Bonds from exercising all remedies otherwise permitted by applicable law or thereunder upon default thereunder, subject to the rights under paragraphs (1), (2), (3) and (4) above of the holders of the Superior Obligations to receive cash, property or securities from the Net Revenues and other moneys pledged to such Superior Obligations otherwise payable or deliverable to the Holders of the Bonds; and insofar as the Bond Registrar, Depository or Trustee is concerned, the foregoing provisions shall not prevent the application of any moneys deposited with the Bond Registrar, Depository or Trustee for the purpose of the payment of or on account of the principal (and premium, if any) and interest on the Bonds if it did not have written notice or actual knowledge at the time of such application that such payment was prohibited by the foregoing provisions.

(b) the amount on deposit with it at the end of such semi-annual period in each such account or subaccount,

(c) a brief description of all obligations held by it as an investment of money in each such account or subaccount, or

All records and files pertaining to the Bonds in the custody of the Trustee shall be open at all reasonable times to the inspection of the Authority and its agents and representatives.

If at any time it shall be necessary or desirable for the Trustee, the Depository or the Bond Registrar to make any investigation respecting any fact preparatory to taking or not taking any action or doing or not doing anything as such Trustee, Depository or the Bond Registrar, and in any case in which this Resolution provides for permitting of taking any action, the Trustee, the Depository or the Bond Registrar may rely upon any certificate required or permitted to be filed with it under the provisions of this Resolution, and any such certificate shall be evidence of such fact or protect the Trustee, the Depository or the Bond Registrar in any action that it may or may not take or in respect of anything it may or may not do, in good faith, by reason of the supposed existence of such fact. Except as otherwise provided in this Resolution, any request, notice, certificate or other instrument from the Authority to the Trustee, the Depository or the Bond Registrar shall be deemed to have been signed by the proper party or parties if signed by any Authority Representative, and the Trustee, the Depository or the Bond Registrar may accept and rely upon a certificate signed by any Authority Representative as to any action taken by the Authority.

Section 906. Notice of Default. Except upon the happening of any Event of Default specified in clauses (a) and (b) of Section 801 of this Resolution, the Trustee shall not be obliged to take notice or be deemed to have notice of any Event of Default under this Resolution, unless specifically notified in writing of such Event of Default by the Authority, the Bond Registrar or the Holders of not less than a majority in aggregate principal amount of Bonds then Outstanding.

Section 907. Depository and Bond Registrar Not Responsible for Recitals. The recitals, statements and representations contained herein and in the Bonds shall be taken and construed as made by and on the part of the Authority and not by the Trustee, the Depository or the Bond Registrar, and the Trustee, the Depository and the Bond Registrar assume and shall be under no responsibility for the correctness of the same.

Section 908. The Trustee, Depository and Bond Registrar Protected in Relying on Certain Documents. The Trustee, the Depository and the Bond Registrar shall be protected and shall incur no liability in acting or proceeding, or in not acting or not proceeding, in good faith, reasonably and in accordance with the terms of this Resolution, upon any resolution, order, notice, request, consent, waiver, certificate, statement, affidavit, requisition, bond or other paper or document that it shall in good faith reasonably believe to be genuine and to have been adopted or signed by the proper board or person or to have been prepared and furnished pursuant to any of the provisions of this Resolution, or upon the written opinion of any attorney, engineer or accountant believed by the Trustee, the Depository or the Bond Registrar to be qualified in relation to the subject matter, and the Depository or the Bond Registrar shall be under no duty to make any investigation or inquiry as to any statements contained or matters referred to in any such instrument. None of the Trustee, the Depository and the Bond Registrar shall be under any obligation to see to the recording or filing of this Resolution or, except as otherwise expressly provided herein or in the Guaranty Agreement, to the giving to any person of notice of the provisions hereof.

Section 909. Trustee May Deal in Bonds. Section 910. Resignation and Removal of Trustee Subject to Appointment of Successor. No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee under Section 913 of this Article.

Section 911. Resignation of Trustee. The Trustee may resign and thereby become discharged from the trusts hereby created, by notice in writing to be given to the Authority and to be mailed to all owners of Bonds, not less than sixty (60) days before such resignation is to take effect, but such resignation shall take effect immediately upon the appointment of a new Trustee hereunder if such new Trustee shall be appointed before the time limited by such notice and shall then accept the trusts hereof.

Section 912. Removal of Trustee. The Trustee may be removed at any time, with or without cause, at the election of the Authority; provided that no Event of Default has occurred and is continuing at the time of such election.

The Trustee may be removed at any time by an instrument or concurrent instruments in writing filed with the Authority executed by the owners of not less than a majority in principal

amount of the Bonds hereby secured and then Outstanding. A facsimile copy of each such instrument shall be delivered promptly by the Authority to the Trustee. The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Resolution with respect to the duties and obligations of the Trustee by any court of competent jurisdiction upon the application of the Authority pursuant to resolution or of the owners of not less than a majority in aggregate principal amount of the Bonds then Outstanding under this Resolution.

Section 913. Appointment of Successor Trustee. If at any time hereafter the Trustee shall resign, be removed, be dissolved or otherwise become incapable of acting, or the bank or trust company acting as Trustee shall be taken over by any governmental official, agency, department or board, the position of Trustee shall thereupon become vacant. If the position of Trustee shall become vacant for any of the foregoing reasons or for any other reason, the Authority shall appoint a Trustee to fill such vacancy. The Authority shall cause notice of any such appointment to be mailed to all owners of Bonds.

At any time within one year after any such vacancy shall have occurred, the owners of a majority in principal amount of the Bonds hereby secured and then Outstanding, by an instrument or concurrent instruments in writing, executed by such bondholders and filed with the Authority, may appoint a successor Trustee that shall supersede any Trustee theretofore appointed by the Authority. Facsimile copies of each such instrument shall be delivered promptly by the Authority to the predecessor Trustee and to the Trustee so appointed by the Bondholders.

If no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Section within ten (10) days after the vacancy shall have occurred, the owner of any Bond outstanding hereunder or any retiring Trustee may apply to any court of competent jurisdiction within the State to appoint a successor Trustee. Such court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Trustee.

Any Trustee appointed shall be a bank or trust company duly authorized to exercise corporate trust powers, a member of the Federal Deposit Insurance Corporation and subject to examination by federal or state authority, of good standing, and having a combined capital, surplus and undivided profits aggregating not less than Fifty Million Dollars (\$50,000,000).

Section 914. Successor Trustee. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor, and also to the Authority, an instrument in writing accepting such appointment hereunder, and thereupon such successor Trustee, without any further act, shall become fully vested with all the rights, immunities, powers and trusts and subject to all the duties and obligations, of its predecessor; but such predecessor shall, nevertheless, on the written request of its successor or of the Authority, and upon payment of the expenses, charges and other disbursements of such predecessor that are payable pursuant to the provisions of Section 903 of this Article, execute and deliver an instrument transferring to such successor Trustee all the rights, immunities, powers and trusts of such predecessor hereunder;

and every predecessor Trustee shall deliver all property and moneys held by it hereunder to its successor. Should any instrument in writing from the Authority be required by any successor Trustee for more fully and certainly vesting in such Trustee the rights, immunities, powers and trusts hereby vested or intended to be vested in the predecessor Trustee, any such instrument in writing shall and will on request be executed, acknowledged and delivered by the Authority.

Notwithstanding any of the foregoing provisions of this Article, any bank or trust company having power to perform the duties and execute the trusts of this Resolution and otherwise qualified to act as Trustee hereunder with or into which the bank or trust company acting as Trustee may be merged or consolidated, or to which the assets and business of such bank or trust company may be sold, shall be deemed the successor of the Trustee.

Section 915. Co-Trustee. It is the intention of the Authority that the Trustee shall not be required to act at any time if such Trustee has a conflict of interest in performing its duties hereunder and that there shall be no violation of any laws of any jurisdiction (including particularly the laws of the State) denying or restricting the right of banking corporations or associations to transact business as Trustee in such jurisdiction. It is recognized that in case of a conflict of interest or in case of litigation under this Resolution, and in particular in case of the enforcement of any remedies upon the occurrence of an Event of Default, it may be necessary that the Trustee appoint an additional individual or institution as an additional, separate, or Co-Trustee, and in such case the Trustee is authorized to do so. The following provisions apply to the Trustee and to any additional or Co-Trustee:

In the event the Trustee, in its sole opinion, has or may have a conflict of interest or in the event by reason of any present or future law of any jurisdiction the Trustee is denied or restricted in the rights to exercise any of the powers, rights or remedies herein granted to the Trustee or to hold title to the property in trust as herein granted or to take any other action that may be necessary or desirable in connection therewith, each and every trust, remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest, lien, privilege, obligation and duty expressed or intended by this Resolution or any Supplemental Resolution to be exercised by or vested in or conveyed to the Trustee with respect thereto shall be exercisable by and vest in any separate Trustee or Co-Trustee but only to the extent necessary to enable such separate Trustee or Co-Trustee to exercise such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such separate Trustee or Co-Trustee shall run to and be enforceable by any of them.

Should any instrument in writing from the Authority be required by any separate Trustee or Co-Trustee for more fully and certainly vesting in and confirming to him or it the trusts, remedies, powers, rights, claims, demands, causes of action, immunities, estates, titles, interests, liens, privileges, obligations and duties hereby vested in the Trustee, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Authority. In case any separate Trustee or Co-Trustee, or a successor to any of them, shall die, become incapable of acting, resign or be removed, all the trusts, powers, rights, claims, demands, causes of action, immunities, estates, titles, interests, liens, privileges, obligations and duties of

such separate Trustee or Co-Trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new Trustee or successor to such separate Trustee or Co-Trustee.

OF CONCURRENCE OF HOLDERS**

Section 1001. Execution of Instruments by Holders. Any request, direction, consent or other instrument in writing required or permitted by this Resolution to be signed or executed by any Holder may be in any number of concurrent instruments of similar tenor and may be signed or executed by such Holders or their attorneys or legal representatives. Proof of the execution of any such instrument and of the ownership of Bonds shall be sufficient for any purpose of this Resolution and shall be conclusive in favor of the Authority with regard to any action taken by either under such instrument if made in the following manner:

(a) The fact and date of the execution by any person of any such instrument may be proved by the verification of any officer in any jurisdiction who, by the laws thereof, has power to take affidavits within such jurisdiction to the effect that such instrument was subscribed and sworn to before him, or by an affidavit of a witness to such execution. Where such execution is on behalf of a person other than an individual, such verification or affidavit shall also constitute sufficient proof of the authority of the signer thereof.

(b) The ownership of the Bonds shall be proved by the registration books kept under the provisions of Section 206 of this Resolution.

Nothing contained in this Article shall be construed as limiting the Authority to such proof, it being intended that the Authority may accept any other evidence of the matters herein stated which it may deem sufficient. Any request or consent of any Holder shall bind every future Holder of the same Bond in respect of anything done by the Trustee in pursuance of such request or consent.

Notwithstanding any of the foregoing provisions of this Section, the Authority shall not be required to recognize any person as a Holder or to take any action at his request unless such Bond shall be deposited with it.

ARTICLE XI.

SUPPLEMENTAL RESOLUTIONS

Section 1101. Supplemental Resolutions without Consent. The Authority, from time to time and at any time, may adopt such resolutions supplemental hereto as shall be consistent with the terms and provisions of this Resolution (which supplemental resolutions shall thereafter form a part hereof):

(a) to cure an ambiguity or formal defect or omission, or to correct or supplement any provision herein that may be inconsistent with any other provision herein, or

(b) to grant to, or confer upon the Trustee and the Holders any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the Trustee and the Holders, or

(c) to add to the conditions, limitations and restrictions thereafter to be observed by the Authority under the provisions of this Resolution, or

(d) to add to the conditions, limitations and restrictions on the incurring or issuance of Superior Obligations or of Additional Bonds or Refunding Bonds under this Resolution or other conditions, limitations and restrictions thereafter to be observed by the Authority under the provisions of this Resolution, or

(e) to provide for the issuance of Additional Bonds and Refunding Bonds, to provide for coupon Bonds if then permitted, to provide for the issuance of coupon and uncertificated Bonds, and to provide for such other related matters as may be required or contemplated by or appropriate under this Resolution, including by way of example, and not limitation, one or more reserves for debt service for such Bonds or maintenance of the System, or

(f) [Repealed], or

(g) to add to the covenants and agreements of the Authority in this Resolution other covenants and agreements thereafter to be observed by the Authority or to surrender any right or power herein reserved to or conferred upon the Authority or,

(h) to make provision for the issuance of Capital Appreciation Bonds and other Bonds the interest on which is not payable in a fixed amount and to exchange an obligation payable with respect to Bonds outstanding under this Resolution for an obligation to a counterparty in a transaction authorized by the provisions of Section 15.2-5135, Code of Virginia 1950, as amended, or

(i) to make any changes that may be required by (1) any rating agency rating any Series of the Bonds and to the extent necessary to prevent any then current ratings of said agencies in respect of such Bonds from being reduced or withdrawn or (2) any credit bank or any

insurer to the extent such changes, in the opinion of the Authority, would not materially adversely affect the interest of the Holders whose Bonds are not secured by the credit facility or bond insurance policy that requires such changes, or

(j) to make any other change that is not, in the judgment of the Authority, expressed in a resolution filed with the Trustee, materially adverse to the interest of the Holders of the Bonds or any of them.

Not more than thirty (30) days following the adoption of any supplemental resolution (except a supplemental resolution entered into pursuant to paragraph (e) above fixing the details of any Series of Bonds issued to the extent such supplemental resolution does not amend this Resolution in a manner other than as permitted by this Section as to which no notice need be given) for any of the purposes of this Section the Authority shall cause a notice of the proposed adoption of such supplemental resolution to be mailed, first class, postage prepaid, to all Holders. Such notice shall briefly set forth the nature of the proposed supplemental resolution and shall state that copies thereof are on file at the office of the Authority for inspection by all Holders. A failure on the part of the Authority to mail the notice required by this Section shall not affect the validity of such supplemental resolution.

Section 1102. Modification of Resolutions with Consent. Subject to the terms and provisions contained in this Section, and not otherwise, the Holders of not less than a majority in aggregate principal amount of Bonds then Outstanding that will be affected by a proposed supplemental resolution shall have the right, from time to time, anything contained in this Resolution to the contrary notwithstanding, to consent to and approve the adoption by the Authority of such resolution or resolutions supplemental hereto as shall be deemed necessary or desirable by the Authority for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Resolution; provided, however, that nothing herein contained shall permit, or be construed as permitting (a) an extension of the maturity of the principal of or the interest on any Bond issued hereunder, or (b) a reduction in the principal amount of any Bond or the redemption premium or the rate of interest thereon, or (c) the creation of a pledge or lien on the moneys credited to the Guaranteed Subordinated Obligations Subaccount other than the pledge and lien created by this Resolution, or (d) a preference or priority of any Bond over any other Bond, or (e) a reduction in the aggregate principal amount of Bonds required for consent to such supplemental resolution, or (f) a change in the subordination provisions of Section 715 hereof. Nothing herein contained, however, shall be construed as making necessary the approval by the Holders of the adoption and acceptance of any supplemental resolution as authorized in Section 1101 of this Article.

If at any time the Authority shall determine that it is desirable to adopt any supplemental resolution for any of the purposes of this Section, the Authority shall cause notice of the proposed execution of such supplemental resolution to be mailed, first class, postage prepaid, to all Holders. Such notice shall briefly set forth the nature of the proposed supplemental resolution and shall state that copies thereof are on file at the Authority for inspection. The Authority shall not, however, be subject to any liability to any Holder by reason of its failure to mail the notice

required by this Section, and any such failure shall not affect the validity of such supplemental resolution when approved and consented to as provided in this Section.

Whenever, at any time within three years after the date of the first mailing of such notice, the Authority shall receive an instrument or instruments in writing purporting to be executed by the Holders of not less than a majority in aggregate principal amount of Bonds then Outstanding that are affected by a proposed supplemental resolution, which instrument or instruments shall refer to the proposed supplemental resolution described in such notice and shall specifically consent to and approve the execution thereof in substantially the form of the copy thereof referred to in such notice, thereupon, but not otherwise, the Authority may adopt such supplemental resolution in substantially such form, without liability or responsibility to any Holder, whether or not any particular such Holder shall have consented thereto.

If the Holders of not less than a majority in aggregate principal amount of Bonds Outstanding that are affected by a proposed supplemental resolution at the time of the execution of such supplemental resolution shall have consented to and approved the execution thereof as herein provided, no Holder shall have any right to object to the adoption of such supplemental resolution, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the adoption thereof, or to enjoin or restrain the Authority from adopting the same or from taking any action pursuant to the provisions thereof.

Upon the adoption of any supplemental resolution pursuant to the provisions of this Section, this Resolution shall be and be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Resolution of the Authority, the Trustee, the Depository, the Bond Registrar, and all Holders shall thereafter be determined, exercised and enforced in all respects pursuant to the provisions of this Resolution as so modified and amended.

Section 1103. Exclusion of Bonds. Bonds owned or held by or for the account of the Authority shall not be deemed Outstanding Bonds for the purpose of any consent or other action or any calculation of Outstanding Bonds provided for in this Article or Article XIII, and the Authority as holder of such Bonds shall not be entitled to consent or take any other action provided for in this Article or Article XIII.

Section 1104. 2009 Financing Agreement. The provisions of this Article respecting the rights of the Authority to supplement and amend this Resolution are in all respects subject to the provisions of the Financing Agreement between VRA and the Authority respecting the Bonds issued under the provisions of Section 208 of the Resolution.

(a) to cure any ambiguity or formal defect or omission or to correct any inconsistent provisions in the Contract or in any supplemental contract or in the Ash Disposal Agreement or in any supplement to the Ash Disposal Agreement, or

Section 1202. Supplemental Contracts and Supplements to Ash Disposal Agreement with Holder Consent. Except for supplemental or amendatory contracts provided for in Section 1201 of this Article, the Authority shall not consent to any supplemental or amendatory contract respecting any Contract and the Ash Disposal Agreement, respectively, unless notice of the proposed execution of such supplemental or amendatory contract shall have been given and the Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding shall have consented to and approved the execution thereof, all as provided for in Section 1102 of this Resolution in the case of supplemental or amendatory resolutions.

Principal Amount: _____ Million _____ Thousand Dollars

Southeastern Public Service Authority of Virginia (the “Authority”), a public body politic and corporate of the Commonwealth of Virginia (the “State”) duly created pursuant to the Act (hereinafter mentioned), for value received, promises to pay, but solely from the sources and in the manner hereinafter provided, to the Registered Owner hereof, or his registered assigns or legal representative, the Principal Amount set forth above and interest thereon. The Principal Amount shall be due and payable in annual installments on the dates and in the amounts listed on Schedule I attached hereto. Interest on such installments shall be due and payable from the dated date listed above on each [April 1 and October 1, commencing October 1, 2009] until each such installment is paid and computed on the basis of a year of 360 days and twelve 30-day months at the rates set forth in Schedule I.

Subject to the provisions of the Financing Agreement dated as of June 1, 2009, as amended (the “Financing Agreement”), between the Virginia Resources Authority (“VRA”) and the Authority, so long as this Bond is held by VRA or the Trustee (as defined in the Financing Agreement), interest is payable by check or draft mailed to the registered owner of this Bond at the address that appears on the 15th day of the month preceding each interest payment date on the registration books kept by the Registrar. Principal of and premium, if any, and interest on this Bond are payable in lawful money of the United States of America. In case the date fixed for the payment of principal of, interest on or the redemption of this Bond shall not be a Business Day

(as defined below), then payment of principal, premium, if any, and interest need not be made on such date, but may be made on the next succeeding Business Day, and, if made on such next succeeding Business Day, no additional interest shall accrue for the period after such maturity date or date fixed for the payment of interest or redemption. "Business Day" means any Monday, Tuesday, Wednesday, Thursday or Friday on which commercial banking institutions generally are open for business in New York and Virginia.

If any failure of the Authority to pay all or any portion of any required payment of the principal of, premium, if any, or interest on this Bond results in a withdrawal from VRA's Capital Reserve Fund, the Senior Reserve Fund, the Operating Reserve Fund and/or a drawing on any CRF Credit Facility or the Senior DSRF Credit Facility (each as defined in the Financing Agreement), the interest rates applicable to this Bond shall be increased to interest rates sufficient to reimburse the Capital Reserve Fund, the Senior Indebtedness Service Reserve Fund and/or the Operating Reserve Fund for any foregone investment earnings on the funds withdrawn therefrom and/or pay any interest, fees or penalties assessed by the CRF Credit Provider or the Senior DSRF Provider (each as defined in the Financing Agreement) as a result of the drawing on the CRF Credit Facility or the Senior DSRF Credit Facility. The increment of interest payable pursuant to the increase in rates shall be referred to as "Supplemental Interest." The Authority's obligation to pay Supplemental Interest shall commence on the date of VRA's withdrawal of funds from the Capital Reserve Fund, the Senior Indebtedness Service Reserve Fund and/or the Operating Reserve Fund or the drawing on the CRF Credit Facility or the Senior DSRF Credit Facility occasioned by the Authority's failure to pay a required payment or portion thereof as described above (the "Supplemental Interest Commencement Date"). The Authority's obligation to pay Supplemental Interest shall terminate on the date on which the Authority remedies such failure to pay by making all payments required but outstanding since the date of such failure to pay (the "Supplemental Interest Termination Date"). From the Supplemental Interest Commencement Date to the Supplemental Interest Termination Date, Supplemental Interest shall be due and payable on the regularly scheduled interest payment dates provided for in this Bond. As soon as reasonably possible after the Supplemental Interest Commencement Date and before the next regularly scheduled interest payment date provided for in this Bond, VRA shall deliver to the Authority a certificate as to the increase in interest rates and the amount of Supplemental Interest. The certificate shall set forth in reasonable detail the basis for the increase in the interest rates and the manner of calculation of the increase and the amount of Supplemental Interest. Such certificate shall be conclusive (absent manifest error) as to the interest rate increase and amount of Supplemental Interest set forth therein. In determining the interest rate increase and the amount of Supplemental Interest, VRA may use any reasonable averaging and attribution methods.

This Bond is a single bond representing a duly authorized series of revenue bonds of the Authority, designated "Guaranteed Subordinated Revenue Bonds, Series 2009" (the "Series 2009 Bonds"), issued under a bond resolution adopted by the Authority on May 14, 2009 (said resolution, as restated and as further supplemented and amended as permitted thereby, being hereinafter referred to as the "Resolution"). The Bond is being issued to provide funds, together with other available funds, to (i) to refund certain outstanding indebtedness of the Authority and

(ii) pay the costs of issuing the Bond. U.S. Bank National Association, a bank corporation having trust powers duly organized under the laws of the United States, with its principal corporate trust office in Richmond, Virginia, has been appointed Trustee and Registrar under the Resolution.

The Authority has covenanted not to issue or otherwise incur any Bonds under the Guaranteed Subordinated Bond Resolution or under the Senior Subordinated Bond Resolution (as therein defined); provided, however, that the Authority reserves the right to issue additional bonds and allonges thereto in accordance with the provisions of Section 208 of the Senior Subordinated Bond Resolution.

In April 2010, the Authority, with the consent of the Virginia Resources Authority as the registered owner of this Bond and the Trustee, sold its refuse derived fuel processing system and its power plant (both referred to in the preceding paragraph) to a private party for consideration the cash component of which is being applied to the prepayment of a portion of the principal of this Bond (the remaining principal being reflected on Schedule 1) and other debt of the Authority and entered into a service agreement with the private party by the terms of which agreement the private party is, for a fee, to accept, process and dispose of solid waste delivered by the Authority. The Authority had acquired the power plant from the United States Navy in 1999 and operated it as a system separate and apart from the Disposal System. The private party, in lieu of the Authority, will continue to operate the refuse derived fuel processing system and the power plant and sell steam to the Navy and electricity to the market as had the Authority subsequent to its acquisition of the power plant and the related modifications to the contract with the Navy mentioned in the preceding paragraph.

This Bond is a limited obligation of the Authority. The Bonds are payable from the “Net Revenues Available for Debt Service” of the Authority derived from its “Disposal System” and deposited to the credit of the “Guaranteed Subordinated Obligations Subaccount” under the Resolution. The Bonds are subordinate to Superior Obligations and certain parity indebtedness of the Authority to the extent and as provided in the Resolution. The Bonds shall not be deemed to constitute a debt of the State or of any political subdivision thereof. Neither the State nor the Authority shall be obligated to pay the Bonds or the interest thereon except from the Net Revenues Available for Debt Service of the Disposal System, and neither the faith and credit nor the taxing power of the Commonwealth of Virginia or, subject to the following paragraph, of any political subdivision thereof is pledged as security for the payment of the principal of, premium, if any, or interest on this Bond.

Seven members of the Authority, the City of Chesapeake, the City of Franklin, the County of Isle of Wight, the City of Norfolk, the City of Portsmouth, the City of Suffolk, and the City of Virginia Beach pursuant to the provisions of Article VII, Section 10(a)(4) of the Constitution of Virginia and Chapter 544, Virginia Acts of Assembly, 1977, as amended and reenacted by Chapter 872, Virginia Acts of Assembly, 1983, and the County of Southampton, pursuant to Virginia Code Section 15.2-5114.9, have undertaken severally in accordance with the terms of a Guaranty Agreement with the Authority and the Trustee to guarantee to the Trustee

and its assigns the full and timely of the principal and interest on the Series 2009 Bonds. Such Guaranty Agreement and a related Reimbursement Agreement provide that such eight members will be subrogated to the rights of the Trustee to the extent of any payments made by such members pursuant to such Guaranty Agreement, but the terms of such subrogation provide that their rights of reimbursement for such payments are subordinate to the rights of the Registered Owner of this Bond to receive payment from the revenues of the Authority and further subrogated by the terms of such Guaranty Agreement, Reimbursement Agreement and the Resolution.

Reference is made to the Resolution for a more complete statement of the provisions thereof and of the rights and duties of the Authority, the Trustee, the Bond Registrar, the Depository (as defined in the Resolution) and the bondholders. By the purchase and acceptance of this Bond, the Registered Owner hereof signifies assent to all of the provisions of the aforementioned Resolution.

This Bond is issuable as a fully registered bond. At the principal corporate trust office of the Bond Registrar, in the manner and subject to the limitations and conditions provided in the Resolution, Bonds may be exchanged for an equal aggregate principal amount of Bonds of the same series maturity, of any authorized denomination or denominations and bearing interest at the same rate. The transfer of this Bond is registrable by the Registered Owner hereof in person or by his attorney or legal representative at the corporate trust office of the Bond Registrar, but only in the manner and subject to the limitations and conditions provided in the Resolution and upon surrender and cancellation of this Bond. Upon any such registration of transfer, the Authority shall execute and the Bond Registrar shall authenticate and deliver in exchange for this Bond a new Bond or Bonds, registered in the name of the transferee, of any authorized denomination or denominations, in an aggregate principal amount equal to the principal amount of this Bond, of the same series and maturity and bearing interest at the same rate. No service charge shall be made for any registration of transfer or exchange of Bonds, but the Authority and the Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Bonds.

This Bond is subject to refunding, prepayment or redemption in accordance with the terms of the Financing Agreement.

The owner of this Bond shall have no right to enforce the provisions of the Resolution or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Resolution, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Resolution.

Modifications or alterations of the Resolution, or any resolution supplemental thereto, may be made only to the extent and in the circumstances permitted by the Resolution.

This Bond is issued with the intent that the laws of the Commonwealth of Virginia shall govern its construction.

All acts, conditions and things required to happen, exist and be performed precedent to and in the issuance of this Bond have happened, exist and have been performed as so required.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any benefit or security under the Resolution until it shall have been authenticated by the execution by the Bond Registrar of the certificate of authentication endorsed hereon.

IN WITNESS WHEREOF, the Southeastern Public Service Authority of Virginia has caused this Bond to be signed by its Chairman and its _____, its seal to be affixed hereto, and this Bond to be dated the ____ day of June , 2009.
